Whole Cone prices- subtract 11% from above pellet prices.

Quarter-Baling- and other whole cone vacuum packing- add \$.25/pound.

T90 Pellets- all produced in our own "Patient Pelleting" facility, where oil preservation is top priority.

Farmed under watershed protection guidelines certified by Salmon Safe (www.salmonsafe.org).

Multi-Crop-Year Contracts in by January 31st each year can later add up to 10% to 1st crop year, 20% to 2nd...etc., and enjoy lower prices than the original contract by moving into a higher volume pricing bracket.

Single-Crop-Year Contracts in by January 31st of that crop

year can add up to 10% at the same price (if available).
